CRUZAN'S RESIGNATION

PASTOR TO LEAVE HILO CHURCH IN AUGUST

Letter Presented to Officers and Members of First Foreign Congregation To Be Considered.

Hilo, April 4.—After the opening exercises at the First Foreign Church last Sunday, Rev. Mr. Cruzan tendered his resignation as pastor of that church to take effect August 15. The resignation was couched in the following language:

To the Officers and Members of the First Foreign Church of Hilo, Hawaii.

Dear Brethren and Sisters:—I hereby present my resignation of the pastorate of your church, the same to take effect on the 15th day of August next, at the end of my fourth year of service.

This is a matter to which I have given long and earnest consideration, and my action is positive and final. The long continued ill health of Mrs. Cruzan and the necessity for her of a change of climate, the lack of desirable school facilities in Hilo for my sons, and other reasons of weight, have led me to the conclusion that the wise and judicious course for me to take is to surrender the important work you have entrusted to me.

In asking that the pastoral relation which has existed for nearly four years be terminated, I wish to express, both for Mrs. Cruzan and myself, our grateful appreciation of the kindnesses you have shown to us, and for the measure of cooperation with which you have sustained us in our work.

I trust that you may be divinely guided in your choice of my successor, and that the Master may speedily send you an under Shepherd to take up this important work and lead you in winning great victories in His name and in the cause of righteousness.

I remain yours with regard,

J. A. CRUZAN.

Hilo, Hawaii, March 29, 1902.

After the regular service next Sunday there will be a meeting of the Board to consider the acceptance of the resignation.

RAPID TRANSIT AFFAIRS.

A special meeting of the stockholders of the Rapid Transit Company was held yesterday morning. The meeting was called by the directors for the purpose of considering an amendment to the by-laws and to provide for further construction. J. B. Atherton acted as chairman and J. A. Gilman as secretary.

A communication from the Castle Estate and J. B. Castle in which it was proposed that they should surrender their entire holdings of bonds of the company and find a market for them, taking in exchange for those bonds 6 per cent non-cumulative preferred stock, was agreed to. The by-laws were amended accordingly.

Children with their attendants will be admitted to the dress rehearsal 3 p. m. The evening performance will be at 8 o'clock.

The body was brought to Hilo Tuesday afternoon and buried in the Hilo cemetery. The remains were accompanied to this city by Messrs. C. M. McLennan, A. C. Palfrey, E. W. Hockley and the father. Three young children of Mr. and Mrs. Gill are critically ill with the same trouble, which is a disorder of the bowels.

NEW DEPUTY SHERIFFS.

Hilo, April 4.—Some time ago High Sheriff Brown sent to Sheriff Andrews of Hawaii the application of Henry K. Mattin for the position of deputy of the Kau district in place of Mr. Eaton, who it was understood, contemplated resigning. Mr. Mattin was seen and was found to be just the man for the place, so that High Sheriff Brown gave out news today that he had finally decided on that young man for the place.

COOPER CONFIRMED AS ACTING GOVERNOR

Secretary Henry E. Cooper received timely though unsolicited confirmation of the possession of full executive powers as Acting Governor in the absence of Governor Dole from the Interior Department by Friday's mail.

Thomas Ryan, Acting Secretary of the Interior, writes to the Secretary under date of Washington, D. C., March 17, enclosing for his information and guidance the copy of a Departmental letter to the Governor of the Territory of Arizona written on the 12th of March. The section of Arizona's organic act referred to in this letter is the same in terms as the corresponding section of the Hawaiian Organic Act excepting that in addition to "death, removal, resignation or absence," which the Arizona law gives as circumstances of the Governor's office when the Secretary shall act in his place, the Hawaiian law adds "disability."

ANOTHER DELEGATE FOR WASHINGTON

Hilo, April 4.—Philip Peck received a letter from Captain Matson by the last mail, enclosing a telegram sent from Washington by Congressman Stark of Nebraska, saying that the matter of the Federal building in Hilo was being properly advanced. The data and the arguments sent forward by the committee of Hilo citizens had been received and given immediate attention.

Mr. Peck will go to the Mainland by the return of the steamer Enterprise and has decided to go on East to Washington and other cities on business that will advance the interests of Hilo. He will do some good work in Washington in behalf of the Federal building and will carry a portfolio of information regarding conditions and needs in the Hilo harbor.

BANANA PRICES ARE HIGHER IN HILO

Hilo, April 4.—D. E. Wilson finds it so difficult to get a supply of bananas to ship to the coast by the Enterprise that he now offers 50 cents to \$1 for bunches delivered to him in Hilo. He is anxious that the fruit shall be prime, for the reason that it will make a better impression on the trade in San Francisco. Mr. Wilson has had buyers through the district for the past three weeks and has succeeded in making contracts with a number of small growers, as well as in purchasing about 500 bunches for the first trip of the steamer. He has received assurances from the holders of small tracts that they will plant from one to five acres in bananas, and in some instances they have already bought the plants for the purpose. He wants large bunches when possible to obtain them, and says that small bunches, those commanding less than 50 cents, are not worth shipping.

The captain grappled with him and in some way one of his fingers got in the man's mouth and was severely bitten. When the nippers were put on the fellow's wrist he weakened and was taken to the station house where he deposited \$10 bail and forfeited it next day.

Messrs. Brooks, Breckons and Dunne for plaintiffs have filed an amended bill in equity for the members of the Chinese vegetable gardening copartnership of Sun Kwong Mau Company against Walkiki Land and Loan Association and Honolulu Rapid Transit and Land Company, to restrain defendants from trespassing upon the premises of defendants.
